## **Curry Supply President Jason Ritchey elected to NTEA board of trustees**

Martinsburg, Pa., March 12, 2018 - Curry Supply Co. is excited to announce the election of Jason Ritchey, President, Curry Supply Co., to the NTEA Board of Trustees.

The announcement was made on Thursday, March 8 in conjunction with the 2018 Work Truck Show®.

Established in 1964, NTEA – The Association for the Work Truck Industry, represents more than 1,950 companies that manufacture, distribute, install, sell and repair commercial trucks, truck bodies, truck equipment, trailers and accessories. Buyers of work trucks and the major commercial truck chassis manufacturers also belong to NTEA.

"I have been a part of the work truck industry for over 20 years and I am honored to be able to serve on the NTEA board of trustees. I believe with the support of the NTEA and its members we can find ways to overcome many of the challenges the industry is facing. I look forward to the opportunity to listen to your concerns, tackle issues head-on and make a difference in an industry that we are all extremely passionate about," said Ritchey.

Curry Supply has been around since 1932 and Ritchey is the 3<sup>rd</sup> generation in this family owned business. Ritchey started working at the company during college, where he spent summers working in the manufacturing shop. He officially joined Curry Supply after graduation working as a Fabricator. After several years in manufacturing, Ritchey earned a degree in Master of Business Administration (MBA) and held positions in purchasing, sales, sales management and became President of Curry Supply in 2011.

As proud members of the NTEA for over 15 years, Curry Supply is honored to support all of the hard work that the NTEA does for its members and the Work Truck Industry overall.

Curry Supply Company is a family-owned business that was established in 1932. Over the past 86 years, Curry Supply has grown into one of America's largest manufacturers of commercial service vehicles. Curry Supply delivers internationally, with sales, parts, and service provided throughout North America.
